Proposal No. 13584-103124-CB

**RE: MID ATLANTIC GLOBAL
FINISHLINE FL4300RDB**

Dear Michael,

In response to your request, it is a pleasure to offer the following information for your review.

If you have any questions or need additional information, please do not hesitate to call me.

Please review the Terms and Conditions of Sale.

Mid Atlantic Machinery, Inc. looks forward to a continuing relationship with your Company, helping you to fulfill all your Metal Fabrication needs.

Sincerely,

Chris Barsanti

DEBURRING, EDGE-ROUNDING AND FINISHING MACHINES

PROCESS OF PRECISION

FINISHLINE is an innovative deburring, edge rounding and finishing machine designed to provide a compact all-in-one solution utilizing intelligent design and quality components for finishing metal parts originating from laser, plasma, waterjet or punch processes.

THE MID ATLANTIC GLOBAL MISSION

Mid Atlantic Global knows manufacturing and metal fabrication technology. By importing brands found worldwide that share the same passion for high quality machines and impeccable service, we are bringing new solutions to American manufacturing.

Mid Atlantic Global is extremely pleased to offer the FINISHLINE brand of deburring, edge rounding and finishing machines designed and manufactured in the Czech Republic. Established in 1921, the manufacturing company has achieved significant growth and has established themselves as a leader within the European market by developing technological solutions to promote efficiency, quality of processing and ease of operation.

FINISHLINE SOLUTION

FINISHLINE brings the history of excellence of European manufacturing to the American metal fabrication industry. For metal fabricators who are motivated to improve upon operational efficiencies and part consistency, FINISHLINE is an innovative metal finishing machine that is tailor made for your specific needs. FINISHLINE provides a compact all-in-one solution utilizing intelligent design and quality components for finishing parts originating from laser, plasma, waterjet, or punch processes.

Model: FL4300RDB

Date: October 30, 2024
Proposal: 2024FL0215

MACHINE FEATURES:

- Schneider CNC control
- Automatic part thickness measurement
- Pneumatic control height of R rollers
- 2 main motors 2 x 14 HP for R unit
- Inverter for main motors 14 HP (1400 – 3550 ft/min)
- 75" length of sanding belt
- Motorized table lifts
- Automatic conveyor belt centering
- Siemens motors
- Oil & temperature resistant conveyor belt up to 248°F
- Assembled with Schneider electric components
- Table extensions
- Motorized lifting of D unit
- 460 volt/60 cycles/3 phase
- Electro pneumatic oscillation
- Motorized brush adjustment from control panel
- Pressure regulator with separate controls for conveyor belt tracking and abrasive belt tracking system
- CE standards
- Set of brushes and abrasive belt

WORKING UNITS:

TECHNICAL SPECIFICATIONS:

Diameter of sanding rollers:	7 in.	Speed of disc brush unit:	460 – 1,500 rpm
Diameter of pressure rollers:	1.77 in.	Speed of conveyor belt:	1.6 – 33 fpm
Hardness of 1 st sanding roller:	65 Shore	Working width:	43"
Diameter of scotch brite roller:	7.8 in.	Suction dust hood diameter:	6"
Diameter of disc brush:	6"	Dimensions of sanding belt:	43" x 75"
Min. / Max. working height:	0.020 – 6 in.	Machine dimensions:	65" x 95" x 78"
Speed of sanding belt:	1,400 – 3,550 sfpm	Machine weight:	5,402 lbs.
Main motor power for each R unit:	14 HP	Minimum requested dust collector capacity:	2,943 cfm
Main motor power for D B units:	2 x 7.5 HP		

STANDARD MACHINE FEATURES:

SCHNEIDER ELECTRICS

Quality proven systems

AUTOMATIC PART MEASUREMENT

Ensured accuracy for every part

INTUITIVE 10" CONTROL PANEL

Fully programmable

ROLLON SLIDING SYSTEM

Easy change over

STANDARD MACHINE FEATURES (CONT.):

CLEAR ACCESS DOORS

Easy part progress monitoring

INFEED SAFETY BAR WITH LIMIT SWITCH

Protection for operator and machine

INTERIOR LIGHTING SYSTEM

Clear vision for adjustments

OPTIONAL MACHINE FEATURES:

VACUUM CONVEYOR TABLE

Min. part size approx. 4" x 4", per part geometry

MAGNETIC CONVEYOR TABLE

Min. ferrous metal part size approx. 2" x 2", per part geometry

MAGNET & VACUUM TABLE

Small part flexibility

TOP BRUSH QUICK RELEASE

Swift and easy brush swap

OPTIONAL MACHINE FEATURES (CONT.):

SWIVEL CONTROL PANEL

Makes adjustments easy

MOTORIZED LIFTING OF THE R UNIT

Time-saving adjustments from control panel

PRODUCTIVITY OPTIONS:

COLLABORATIVE ROBOTIC MATERIAL HANDLING

Boost productivity and save costs

DEBURRING & EDGE ROUNDING MEDIA PACKAGE

Have the tools ready when you need them

SHARP EDGE TESTING TOOL

Superior quality inspection

PRICING:

Standard Machine

Accepted by:

Date

- The pricing quoted above is valid for 30 days from the date listed on this quotation.
- Prices are FOB Shipping Point

PAYMENT TERMS:

- 30% deposit with the acceptance of the quotation
- 60% payment prior to shipment
- 10% payment at completion of machine setup

SHIPPING DATE:

- Typical delivery from acceptance of quotation is approximately 12 – 16 weeks

SETUP ASSISTANCE & TRAINING:

- Two (2) days of setup assistance and training, which includes the cost of travel, are included in the price listed in the quote. Connection of electric, air and a dust collection system to the machine is the responsibility of the Buyer and it is expected to be completed prior to commencement of setup assistance and training.

TERMS AND CONDITIONS:

TERMS AND CONDITIONS OF QUOTATION AND SALE

These Terms and Conditions form a part of the quotation and/or acceptance of Buyer's purchase order in connection with which they have been supplied to Buyer, and of any subsequent purchase by Buyer until such time as revised Terms and Conditions of Quotation and Sale are supplied to Buyer, in which case the latest supplied Terms and Conditions of Quotation and Sale, until later replaced, will apply to all subsequent such purchase orders. Buyer is invited to accept these exact terms by signing the quotation where indicated and returning a copy of it to Mid Atlantic Global, Inc. ("MAG"). Any changes to the quoted terms provided by Buyer which are in addition to or different from those contained herein, are hereby objected to and shall be of no effect, unless separately and specifically agreed to in writing by MAG. Buyer will be deemed to have assented to these Terms and Conditions if Buyer makes any payments for product(s) or accepts delivery of product(s).

DEFINITIONS - The word "Purchases" as used herein shall mean one or more of the basic Machine, its equipment, accessories, parts and optional items as are purchased under the "Contract" as hereinafter defined. The word "Machine" as used herein shall mean the basic machine utilizing equipment and/or accessories and/or parts and/or optional items purchased under such Contract, or the basic machine on which the Purchases will be used if such machine was purchased from MAG or another supplier under a different earlier contract.

PRICES - All prices are quoted U.S. duty paid unless otherwise indicated. MAG will endeavor to maintain the prices quoted for any Purchases, but cost increases beyond its control, including changes in foreign exchange rates, may necessitate price increases. Prices are F.O.B factory, at point of manufacture, or port of entry, unless otherwise specified.

PURCHASE ORDER - The Buyer's purchase order shall be a written offer to purchase based upon the relevant written quotation made by MAG and shall be subject in all respects to these Terms and Conditions of Quotation and Sale. The details of a purchase order and the date of shipping shall be conclusively the respective dates thereof solely as shown by the records of MAG or of MAG's supplier kept in the ordinary course of business. It will be the responsibility of Buyer to ascertain and understand the capacity rating, if any, of a Machine and any Purchases being ordered at any time and to determine that any Purchases will meet Buyer's requirements and that Buyer's use thereof will not exceed any capacity rating of the Machine or of its equipment, accessories, parts and/or optional items.

CANCELLATION - Buyer's written purchase order shall not be subject to cancellation by Buyer except with MAG's written consent, and then only upon terms and conditions that will fully indemnify MAG against all losses resulting therefrom.

CONTRACT - The contract between Buyer and MAG shall consist of Buyer's written purchase order and any relevant written quotation made by MAG and these Terms and Conditions of Quotation and Sale (the "Contract").

DELIVERIES, LIMITATION OF LIABILITY - MAG shall under no circumstances be responsible or liable for delays, nonperformance, loss or damages, whether direct or consequential, due to any circumstances beyond MAG's control, in which event MAG shall have the right to revoke the Contract, without any responsibility or liability to Buyer whatsoever, whether direct or consequential. Buyer's failure to promptly make advance or interim payments, supply technical data, drawings or approval will result in a commensurate delay in delivery.

PURCHASES BY CREDIT CARD FOR ACCESSORIES, PARTS and OPTIONAL ITEMS - If Buyer shall pay its obligation to MAG by credit card, Buyer's purchase order shall not be cancelable by Buyer after payment has been made by credit card except with the written consent of MAG, and the granting or withholding of such consent shall be totally at the discretion of MAG.

FREIGHT RATES - MAG neither guarantees nor assumes any responsibility or liability for domestic or international freight rates.

RISKS - Purchases will travel totally at Buyer's risk, and the Buyer hereby assumes all risks of loss, injury or destruction occurring after the time of shipment of the Purchases to Buyer by MAG or the manufacturer. No such loss, injury or destruction shall operate in any manner to release the Buyer from the obligation to pay for the shipped Purchases. In the event of damage or loss in transit, MAG will, if feasible, assist Buyer in asserting Buyer's claim against the carrier or insurer.

TITLE - Title and ownership of all Purchases shall remain with MAG after receipt thereof by Buyer until payment therefor has been made in full. After receipt thereof by Buyer, all of such Purchases shall be and shall remain personal property and shall retain their character as such even if they are installed on permanent foundations or in any other manner affixed or attached directly or indirectly to realty, and without regard to the purposes for which they may be used. The rights of MAG to possession of such Purchases until the purchase price therefor shall have been paid in full shall be superior to any rights of the Buyer to possession thereof. If Buyer shall fail to make any payment when due under the Contract, MAG shall be entitled to all remedies available under the Uniform Commercial Code in force in the State of Pennsylvania on the date of the Contract, including the right to repossess the Purchases by self-help and without resort to judicial process.

SECURITY INTEREST - Regardless of any passage of title, where retention of a security interest is legally permissible MAG shall retain a security interest in the Purchase(s) until all payments hereunder have been made in full. Buyer agrees to do all acts necessary to perfect and maintain such security interest, including but not limited to signing any financing statements or other customary documents. Buyer hereby grants to MAG a limited power of attorney to prepare, execute, and file all such financing statements and other customary documents on Buyer's behalf if Buyer is unable or unwilling to sign and file the same or fails to do so. Buyer shall protect MAG'S interest in the Purchase(s) by adequately safeguarding and insuring them.

INSPECTIONS AND CLAIMS - The Buyer shall inspect all Purchases immediately upon their arrival at the destination specified in the Contract and shall, within five (5) days thereafter, give written notice to MAG of any claims that the Purchases do not conform to the requirements of the Contract. If no such notice is given within such five (5) day period of time, the Purchases shall conclusively be deemed to conform in all respects to the requirements of the Contract. All claims made within said five (5) day period of time will, if justified, be satisfied by MAG or the manufacturer in accordance with the **LIMITED WARRANTY** set forth below.

RETURNS - MAG will not accept any return of Purchases unless (a) MAG shall have authorized each such return and (b) Buyer shall have prepaid all freight charges thereon to MAG's warehouse or other designated consignee. Any conditions specified by MAG in MAG's authorization of any return of Purchases shall bind the Buyer making the return.

SAFETY RESPONSIBILITY - It is the Buyer's and operator's joint and several responsibility to use all Machines and Purchases only with proper safety devices and equipment and proper operating procedures to safeguard the operator from injury at all times and on a continuing basis during any set-up, use or operation of the Machines and Purchases. It is the Buyer's responsibility to train all operators in proper and safe operation and usage of the Machines and Purchases. It is the Buyer's and operator's further joint and several responsibility to assure that such set-ups, uses and operations are not beyond the rated capacities of the Machine and Purchases and are not on materials for which the Machine and Purchases were not designed. It is the Buyer's and operator's joint and several responsibility to set-up, use and operate the Machine and Purchases in conformity with all Federal, State and local government safety standards and all industry safety standards.

ELECTRIC CODE, ELECTRIC POWER SUPPLY, OPERATION AND MAINTENANCE - - Compliance with applicable electric code, provision of the proper power supply and related controls, proper operation and proper maintenance of the Machine and Purchases are the responsibility of the Buyer.

FIRE & EXPLOSION - Metal finishing machinery covered by this quotation may generate combustible metal dust and powders as detailed by NFPA 484 (Standard for Combustible Metals, Metal Powders, and Metal Dusts). Processes such as deburring can involve combustible metal particulate; therefore, it is strongly urged that a wet dust collection system be specified and installed. It is solely the Buyer's responsibility for specifying and installing a wet dust collection system along with determining the appropriate fire and explosion protection measures for their particular facility. Proper specification, installation and preventative maintenance as outlined in relevant NFPA standards is the Buyer's responsibility.

INDEMNIFICATION - MAG will not be responsible for, and Buyer will indemnify and exonerate MAG from expenses of defense and any and all claims and judgments for non-compliance with the applicable electric code, non-operation or faulty operation of any Machine and/or Purchase and personal injury, loss or damages, whether direct or consequential, in any degree resulting from, or contributed to by, inadequate or deficient or excessive or inappropriate electrical power supply for the operation of any Machine and/or Purchase, wherever located, inadequate or incorrect instruction of operating personnel in the use of any Machine and/or Purchase and improper or incompetent operation thereof including overloading, abuse thereof, improper or inadequate maintenance thereof, use of any Machine and/or Purchase for purposes or on materials for which the same is not intended according to its specifications or to generally accepted trade standards, or alteration or modification of any kind to such Machine and/or Purchase unless previously and specifically approved in writing by MAG. As used herein, expenses of defense shall include all reasonable defense expenses and

costs including (but not limited to) counsel fees incurred by MAG. Improper or incompetent operation as referred to above shall include, but not be limited to, failure to follow manufacturer instructions, generally accepted trade practices, warnings and recommendations and failure to comply with applicable Federal, State and local laws and regulations. Said indemnification and exoneration against claims and judgments shall include, but not be limited to, those resulting from any legal theory of strict liability and from any theory or breach of warranty of any kind. In addition, as used above, the terms "improper or inadequate" maintenance of any Machine and/or Purchase shall include, but not be limited to, improper or inadequate installation of Purchases purchased under the Contract. In no event shall MAG be liable to Buyer or any other party for compensatory, punitive, special, incidental or consequential damages, or any similar damages, whether foreseeable or not, arising from or related to any product failure, including but not limited to: loss of profits, revenue or business opportunity; loss by reason of shutdown of facilities; loss because of inability to operate any machinery or facility at full capacity; damage to materials processed using the purchased products. This provision shall supersede any inconsistent provision(s) in any document involving Buyer's purchase unless specifically agreed to in writing by MAG.

LIMITED WARRANTY AND REMEDIES - The manufacturer warrants each Purchase made by it, purchased from MAG under the Contract, to be free from defective material and workmanship for one year from the date of the bill of lading issued by the carrier at the designated f.o.b. point if the Machine or the Machine on which the Purchase is installed is used on an eight-hour-per-day basis, is given normal and proper usage and maintenance, is owned by the original Buyer, is operated by the original user and is properly operated. During the LIMITED WARRANTY period, if the Machine or any other of the Purchases to which this LIMITED WARRANTY applies are found to be defective by MAG or the manufacturer, they will be replaced free of charge, f.o.b. MAG. Repair, alteration or modification of any kind to the Machine or any other Purchases without MAG's previous and specific approval in writing, or without being performed by MAG's personnel, absolutely and irrevocably voids this LIMITED WARRANTY. Expendable items and tooling are not warranted. THE LIMITED WARRANTY DESCRIBED IN THIS PARAGRAPH SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The parties agree that no other remedy (including, but not limited to, incidental or consequential damages for lost profits or revenues, damage to or loss of other property, cost of capital, claims of customers, cost of a replacement machine, its equipment, appurtenances, accessories, and optional items, damage to or loss of materials processed by the machine, lost sales, injury to persons or property, or any other incidental or consequential damage or loss) shall be available to Buyer or operator. The sales personnel of MAG are not authorized to make warranties about Machines or other Purchases from MAG. MAG's employees' oral statements do not constitute warranties, shall not be relied upon by the Buyer or operator, and are not part of any quotation or Contract. NO OTHER WARRANTIES are given beyond those set forth herein. Under no circumstances shall the liability of MAG exceed the price of the purchased items upon which such liability is based. The time within which Buyer or operator may bring any action against MAG under this LIMITED WARRANTY shall be limited to one (1) year following the date of sale thereof.

TAXES - All applicable sales, use and other Federal, State and local taxes and filing fees are to be paid by Buyer, or, if paid by MAG, may be added to invoices for the Purchases or invoiced separately, and Buyer shall be obligated to pay same in accordance with invoice payment terms.

SERVICE POLICY - "Service" shall include all work, demonstrations, installation, start-up, instructions in the use of Purchases, and maintenance and repairs of the Purchases. Should any Service be requested of MAG beyond that which the Contract specifies that MAG will supply at its expense, such Service will be rendered at the then current per diem charge (plus overtime, if applicable) for the persons rendering the Service, plus their transportation and reasonable living expenses. Buyer shall, at Buyer's expense, supply appropriate rigging equipment and/or material handling equipment, tools and supplies (including demonstration material) so that any and all such Service can be provided efficiently and safely.

CONFIDENTIALITY - All information provided, both as part of any quotation and with any subsequent purchase order, is proprietary and all rights are reserved. No parts of it may be reproduced or transmitted to any person or entity by any means or any form without the specific written consent of MAG.

GOVERNING LAW - The Contract shall be governed by and interpreted in accordance with the laws of the Commonwealth of Pennsylvania, without regard to principles of conflict of laws.

ARBITRATION AND SUIT - Any controversy or claim instituted by Buyer or MAG arising out of or relating to the Contract shall be resolved by binding arbitration before a single arbitrator in Dauphin County, Pennsylvania, regardless of the monetary amount of the claim. If the parties do not agree voluntarily as to the procedural rules to be utilized, the arbitration shall proceed under the auspices and pursuant to the American Arbitration Association commercial arbitration rules for expedited procedures; however, in such case, the parties agree to arbitrate under said rules without using the AAA as the administrator. If the parties are unable to agree to the arbitrator, then the rules of AAA shall be followed and the case filed with the AAA. The cost of such arbitration shall be divided equally between the Buyer and MAG and judgment upon the award rendered may be entered in any Court having jurisdiction. Any controversy or claim instituted by the Buyer or MAG arising out of or relating to this Contract, shall be litigated in the Commonwealth of Pennsylvania and Buyer and MAG consent to the exclusive jurisdiction and venue of the United States District Court for the Middle District of Pennsylvania or the Dauphin County Court of Common Pleas. BUYER AND MAG HEREBY WAIVE THEIR RIGHT TO A JURY TRIAL IN ANY SUCH SUIT.

CAPTIONS AND GENDER - The captions and headings hereof are for identification and convenience only and shall be disregarded in any interpretation of the provisions hereof. Use of masculine gender herein shall be construed where appropriate to include the feminine and neuter genders. Additionally, use herein of the singular shall include the plural and use herein of the plural shall include the singular.

SALES OR DELIVERIES TO ENTITY DESIGNATED BY BUYER - If Buyer shall at any time designate or permit any entity other than Buyer for purchase and/or delivery and/or use of the Purchases described in the Contract, Buyer and the entity or entities designated or permitted by Buyer for such Purchases and/or delivery and/or use of the Purchases shall be jointly and severally liable for the payment of the purchase price of the Purchases

and shall be bound by these Terms and Conditions of Quotation and Sale. Buyer shall be responsible for delivering a copy of these Terms and Conditions of Quotation and Sale to each such entity. As used herein, the term "Buyer" shall include (but not be limited to) the individual or individuals and/or the business entity or entities requesting the price quotation whether or not such Buyer designates or permits another entity or entities for the Purchases and/or delivery and/or use of such Purchases and whether or not such entity or entities shall pay all or any part of the purchase price of the Purchases. Buyer and the purchasers and the consignee or user of the Purchases described in the Contract will be jointly and severally liable for the purchase price thereof, and Buyer, purchaser, consignee and user of such Purchases will be deemed to have agreed to require such purchaser, consignor or user of such Purchases to agree with MAG to be bound by these Terms and Conditions of Quotation and Sale as they pertain to the purchase of such Purchases and use or operation of any Machine and/or Purchase containing (using) any such Purchases, and upon request will supply to MAG a copy of such agreement signed by such purchaser, consignor and/or user of such Purchases.

DELINQUENT ACCOUNTS – All delinquent accounts that remain unpaid beyond thirty (30) days past the invoice date will be subject to a two percent (2%) per month service charge. Delinquent accounts that remain unpaid beyond sixty (60) days will be placed on "Credit Hold". While an account is on Credit Hold, no orders will be shipped until past due invoices are remedied. Accounts consistently on Credit Hold or over sixty (60) days old may lose credit standing.
